
A Representation at Annual Meeting 2010

- 1 Section 5.1.1 of the Rules of the Institute determines the number of representatives entitled to attend, speak and vote at a meeting of the Institute.
- 2 At such meetings branches shall be entitled to one representative for each complete 95 full time equivalent members (FTE) of such branch, provided that any branch with fewer than 95 FTE members shall be entitled to one representative.
- 3 Branches with an entitlement to **one** representative shall also be entitled to have one official observer at an Annual Meeting. No other branch or district council is entitled to an official observer.
- 4 In addition, the following are entitled to attend:
 - the chairpersons of district councils
 - two student teacher representatives appointed by each district council (which has student teacher representation in accordance with section 3.5.2.1(b) of the rules)
- 5 The entitlement is determined by using April 2010 membership data. Section 3.4.28 of the Rules provides guidance to branches on the election of Annual Meeting representatives.
- 6 As we get closer to Annual Meeting, representatives and observers will be advised of the seating arrangements for 2010.
- 7 The Annual Meeting representative entitlement for each branch, aronui tomua, komiti pasifika and area council is attached.
- 8 **Advise National Office of the name(s) of your elected representative(s) and observers (if entitled) as soon as possible, by:**
Completing the 'Elected Representatives/Observers' form and either faxing it to National Office on (04) 385 1772 or emailing it to nikki.pollard@nzei.org.nz.

The names of branch representatives and official observers should be received by the National Secretary no later than **25 June 2010**
You will be unable to proceed with any travel arrangements until NZEI National Office receives this information
It is of considerable assistance to the organisation of Annual Meeting if branches action this matter at the earliest possible opportunity.

Annual Meeting 2010 Representatives and Observers ENTITLEMENT
