

Teaching sexual and gender diversity and creating inclusive environments.

Are you motivated to create safer spaces for students of diverse sexual orientations and gender identities?

This one day workshop is designed to show you how. You will get advice on how to teach these topics, with a strong focus on practical activities. The course is structured around Family Planning's Affirming Diversity resource.

Topics will include:

- Creating a safe and positive environment for addressing controversial topics
- Clarification of terminology and identities
- Relevant legislation and school requirements
- Tips on answering those tricky questions
- Lots of practical activities to use in the classroom
- Common myths and how to bust them
