ANNUAL MEETING 2009 INITIAL ADVICE

April 2009

KEY POINTS:

ADVANCE NOTICE

- Planning for the 2009 Annual Meeting is underway.
- Annual Meeting will be held from Sunday 27th September 2009 to Wednesday 30th September 2009.
- The venue is once again The Wellington Town Hall, 111 Wakefield Street, Wellington.
- In addition to the National Executive and Financial Reports, there will be other special reports for consideration at Annual Meeting 2009.
- **Friday, 26 June 2009** is the final date for receipt of resolutions from District Councils / Branches / Aronui Tomua / Komiti Pasefika intending to amend the Policy or Rules of NZEI Te Riu Roa.
- The National President, Frances Nelson, has signalled her intention to establish an Annual Meeting Resolutions Advisory Committee, following on the pattern of previous years. The committee will meet soon after 26 June 2009.
- Please note that this advice is not intended to replace the usual notice to Branches. It was considered useful for Branches and District Councils to have the date of 26 June signalled as soon as possible after it was determined.

ACTION:

- Make sure Branch and District Council officials are advised of the 26 June deadline.
- Watch out for future updates on Annual Meeting 2009. The next is due in early May and will include information about:
