- Inform NZEI once the process is completed by filling in the election form and faxing it to 04 3851772 or completing the survey monkey form at www.tiny.cc/b7ee3

Worksite Reps are supported by:

- NZEI staff
- Education and development opportunities
- Resources and information – including the website and email newsletters
- Local networks and branches

Why have more than one person?

Many worksites have members covered by more than one collective agreement. It is useful to cover the different agreements by electing reps from different sectors.
