

BETTER FUNDING FOR SUPPORT STAFF BETTER LEARNING FOR KIDS

NZEI TE RIU ROA

To the Hon Hekia Parata,

Our kids need more funding, not less.

Please show you value our kids and unfreeze the operations grant so schools don't have to make cuts and support staff are paid fairly and have secure work.

You listened to us when we opposed the increase in our kids' class sizes. I urge you to listen again and make sure all schools have the funding they need to provide an excellent learning environment for all our kids.

Better funding for support staff will mean better learning for Kiwi kids.
